October 2018

Hello Friends,

As the Grand Strand's newest, independent, wrestling promotion, we are reaching out to you for support. Our goal is to unify our community by giving local families a fun, safe, interactive, and affordable activity that is unique and exciting.

The Southern House of Wrestling, LLC is an all-inclusive wrestling promotion suitable for all ages. Families across the Grand Strand that may have limited access to venues, will now have the opportunity to spend an afternoon or evening enjoying a family friendly sports entertainment presentation. By bringing our promotion to the communities we will strive to provide convenient locations up and down the Strand with a price that is affordable for all.

In order to reduce ticket costs, The SHOW needs your support by becoming a sponsor. Sponsorships will help us offset finances and give your business the opportunity to advertise with us. Our touring troop will be performing at locations in Conway, North Myrtle Beach, Atlantic Beach, Myrtle Beach, Socastee, Little River, Surfside Beach and Georgetown.

Your sponsorship will give your business exposure to the community and show that you support the residents of the Grand Strand. The included sponsorship packets gives you a wide range of options to assist The SHOW in our efforts to expand our outreach.

Sponsorships are considered an integral part of our support system and success. Every dollar provided will help to achieve our goal of bringing independent wrestling to the people. We look forward to a long and mutually beneficial relationship.

If you are aware of any location that would like to host an event, please contact us at theshow.myrtlebeach@gmail.com.

Thank you ahead of time for your support and we look forward to hearing from you soon.

Cordially,

Management
